Home visiting Chiropodist / Podiatrist serving the area of **Penkridge** since 2006. Bringing a professional, friendly service to the comfort of your own home.

Mrs. Kim Robbins BSc MChS

**Registered with Health Professions Council (HPC) and
member of the Society of Chiropodists & Podiatrists (MChS)**

Offering professional advice and treatment of general foot problems, such as:

- **Nail cutting (incl. Problem nails / Ingrowing toe nails)**
- **Corns, Calluses (Hard skin)**
- **Dry / Cracked heels**
- **Fungal infections (athletes foot / nail infections)**
- **Foot care for diabetic patients**
- **Verruca**

A session will last approx. **40 minutes** during which the majority of foot problems can be treated.

Following an initial consultation, in which the Chiropodist will take your personal details, medical information and discuss any problems or concerns you have. The Chiropodist will then tend to your feet, your nails will be inspected, trimmed and filed and any problems treated, callus removed, corns treated, and all-round service for the feet.

The session finishes with a **relaxing foot massage** and any advice needed will be given and questions answered.

After the treatment a return appointment can be made to maintain your feet in tip-top condition.

GP referral not required
Monday to Friday daytime appointments
